
DUFOUR 470 – 2022

OCEAN VERSION –

OWNER VERSION 3 CABINS 2 HEADS

‘STARGATE’ 550,000 EUR + VAT

For sale our Dufour 470. We do offer it for sale as we do not use it as much as we would like to, so it is better if she is with someone who will get the most out of the ownership.

She was purchased new in July 2022 with an extensive specification. Currently, she is in a charter program with a company in Croatia, with a dedicated management company set up especially for her.

For any questions, please feel free to contact me via telephone or WhatsApp.

Time is the most valuable thing we all have; thank you for refraining from being curious with no intention to buy.
